Miranda,

Please forgive the delay in providing the attached 2017 Little Tokyo BID Annual Report along with the 2017 assessments. Although the Annual Report itself was approved by the LTBID Advisory Board in October 2015, we only recently were able to complete the assessments as we dealt with an extraordinary number of changes among merchant stakeholders. Our community changing dramatically, but for the most part these are positive signs.

Signed cover letter and original, hard copy of the 2017 LTBID Annual Report are being sent by U.S. mail.

Attached are an electronic version of our Annual Report and the 2017 special assessments.

Ellen Endo
